

## DNA LAYERS 10, 11 & 12 WORKSHEET

### The God Layers

#### **Layer Ten: (Divine Belief) Vayikra – “The Call to Divine/Recognition of God in You”**

How would you describe your intuition?

You have had 'synchronicities', give three examples.

Does anything prevent you from knowing this comes from God?

What can you do with these doubts to allow God to flow more easily?

Trust your inner wisdom for it is born of God and lives within you!

#### **Layer Eleven: (Wise Divine Feminine) Chochmah Micha Halelu –**

##### **“Wisdom of The Divine Feminine”**

Take a few quite moments to call upon the Divine Feminine, activating your personal balance with compassion and strength.

Compassion is ripe in this layer, how can you be more compassionate to yourself?

Are there any individuals that call for your understanding?

In what way could you offer them compassion?

#### **Layer Twelve: (Almighty God) El Shadai – “Almighty God”**

Spend a few minutes focusing on your personal vision of God, feel God.

Close your eyes and surround yourself with this powerful unconditional vibration.

There is nothing more to do here but MELD and feel this as the divine life force within you!

#### **GROUP FOUR: The God Layers**

Calling forth the powerful, compassionate God within and without you, compose a list of your greatest attributes.

Once this list is complete quickly describe how these attributes have and can serve you, for in doing so you serve not only yourself, but God and all others.

#### **GROUPS ONE thru FOUR**

A visualization for your activation:

Place your feet firmly on the ground, feeling the power of the earth and your human body combine. Visualize your twelve strands of DNA millions of times over throughout your physical body. Know that you are more than other mammals for the seed of God has been planted within you. Embrace the divinity within, while sending out the call (instructions) to activate your higher consciousness. Now just be calm and listen to your intuition, for you will forever more know the feeling of your truth and be guided by God!

Be the God that you are just like everyone else!
